Présentation

Glauser Real Estate SA offers:

Sumptuous building with undeniable charm ideally located in the heart of Lavaux.

Built in 1550 and perfectly transformed in 1999 with a superior quality of materials, you will appreciate the many spaces with spacious and bright volumes. The charm of the former ally to the comfort of today gives this property a certain comfort of life.

Its Wellness space will soothe you throughout the year...

High development potential... such as the possibility of creating three self-contained apartments.

We look forward to presenting this home of impeccable quality.
